WHAT OUR TEACHERS ARE SAYING

Join thousands of TravelBud alumni fulfilling their dream of teaching English Abroad

I felt a lot more safe and secure using this program!

TravelBud were always there to answer my questions and listen to me when I had any concerns. The staff workers are so kind and they told me the truth of what I would face, both pretty and ugly truth. I felt a lot more safe and secure using this program.

Tiana

United States, Apr 14, 2023

Recommended for anyone thinking of teaching English abroad for their first time!

Moving to a different country can be difficult but TravelBud helped me find a very comfortable job and put me in contact with all the right people so when I arrived my transition was smooth and enjoyable!

Emma

United States, Dec 7, 2022

Travel Bud had me feeling so well prepared for this trip!

The comfort they provided me set the tone for a welcoming , warm journey into Vietnam. I have felt extremely looked after and the way that the staff responded to every question I asked no matter how big or small was both genuine and helpful.

ABOUT VIETNAM

HISTORY

Vietnam's history is marked by a millennium under Chinese rule until achieving full independence in AD 938. During this time, Buddhism became the state religion. Between the 11th and 18th centuries, Vietnam expanded southward. However, French colonisation from 1859 to 1885 stripped the nation of its independence. The Japanese occupation during World War II brought famine and devastation, causing around two million deaths.

Post-war, France tried to reclaim Vietnam, but resistance led by Ho Chi Minh and the communist party ultimately ousted them. In the late 1950s, Vietnam split into North and South, with the North supported by China and the Soviet Union, and the South backed by the United States. The ensuing Vietnam War, lasting '10,000 days,' resulted in millions of deaths. Ultimately, North Vietnam emerged victorious, unifying the country as the Socialist Republic of Vietnam.

Until December 1986, Vietnam faced economic decline and poverty. New leadership initiated reforms, leading to economic growth and national rejuvenation. Despite the challenges, Vietnam's economic revival and renewed vitality since December 1986 have been remarkable. The nation has embraced market-oriented policies, attracting foreign investments and fostering a thriving economy. Today, Vietnam stands as a testament to resilience, having transformed from a war-torn country to a dynamic player on the global stage, with a burgeoning economy and a rich cultural heritage.

CLIMATE AND GEOGRAPHY

- **Geography:** Vietnam, located in Southeast Asia, offers diverse landscapes from majestic mountains to coastal plains.
- **Climate Variety:** Experience different climates—northern Vietnam with cool winters, hot summers; central region's tropical climate; and the consistently warm south.
- **Monsoon Seasons:** Two distinct monsoons shape Vietnam's weather—wet season (May-Oct) and dry season (Nov-Apr).

CULTURE

Vietnamese culture is centered on community and family values. Vietnam was highly influenced by Chinese culture, mainly due to 1000 years of Chinese rule. This influence has had an effect on Vietnamese politics, its government, ethics and its artistic output. Other influences on Vietnamese culture are of European origin. Mainly due to the influence the French colonial period had during that time.

Vietnam is diverse in its culture. Perhaps one of the most unique art forms that can be seen to this day in Vietnam is water puppetry. Originating from the 10th century, this art is performed by professional puppeteers who are taught by elders in their rural homelands. Unlike the western puppetry we have seen, this is distinct in that the puppets stand in water and are controlled by rods underneath. It really has to be seen to be believed. To be successful working in Vietnam it is key to maintain strong relationships with your Vietnamese colleagues.

Expect your work relationships to form part of an extended family and always treat them as such. It is important to understand that the avoidance of conflict should be adhered to. Causing somebody to 'lose face' can lead to losing the support of your newly acquired work family. Always maintain a professional but open and caring attitude.

Vietnamese people expect to be treated with dignity and respect, at all times!

RELIGION

Buddhism has a major influence on the daily lives of Vietnamese people, and is practiced throughout the normal course of life.

The Buddhist principle teaches one to follow a middle path, avoiding anything extreme and emphasizes personal well-being above material items or career achievement.

Foreign nationals visiting a Buddhist temple or a sacred place should behave in an appropriate manner, as local people may consider some actions as sacrilege..

LANGUAGE

Vietnamese is a tonal language, with 6 distinct tones. Vietnamese is based on the Latin alphabet and consists of 17 consonants and 12 vowels. There are three main dialects of Vietnamese, Northern, Central and Southern.

The Northern dialect is accepted as standard. The main differences between the three are differing tones and consonants for many different words. 80 million people across the world speak Vietnamese in various forms. Due to its tonal foundations, it can be difficult to tackle at first but you will pick up a lot of essentials throughout your day-to-day life.

It is important to ensure correct pronunciation, especially with your tones to avoid confusion and/or embarrassment!

GUARANTEED JOB PLACEMENT

You could spend your own time trying to find your own teaching position.

But this can be **time-consuming**, **confusing** and **stressful** because you'll have to wade through a myriad of **risk factors** and paperwork when evaluating teaching positions.

THESE CAN INCLUDE BUT ARE NOT LIMITED TO:

- ③ Work visas, relevant permits and documentation
 - ③ The interview process
 - ③ The credibility of the school
 - ③ Your safety at the school
 - ③ Understanding contracts, contract length and hidden clauses
 - ③ Payment terms and what happens in the event of non-payment; and taxes
 - ③ Teaching philosophy and environment
 - ③ Teaching materials
 - ③ School code of conduct
 - ③ Local staff support and English proficiency
 - ③ After school activities and requirements
 - ③ Disciplinary processes
- And many more considerations!

So you might find a job but you'll be unprepared from a teaching, cultural, financial and emotional perspective.

We **take the pressure and stress away** from you by guaranteeing your job placement and providing **peace of mind support**.

- ✓ We guarantee you a teaching job in carefully vetted and trusted schools where every effort is made to match placement preferences.
- ✓ You can focus on enjoying your new lifestyle knowing your income of **\$1,400 – \$2,000 USD** is secured.
- ✓ We'll explain all the paperwork, contracts, taxes, work hours, requirements and responsibilities.
- ✓ We walk you through everything you need to know before you depart to Vietnam and from the moment you touch down, you'll continue to receive peace of mind 24/7 support from our in-country team who will be on hand for you throughout your placement.
- ✓ We've all taught abroad before and, having placed over 2200+ participants around the world, know the key to success is well-trained, culturally-adjusted, and emotionally-supported teachers.

LIFETIME PLACEMENT GUARANTEE

Once you've taught in one of the TravelBud schools, we can **guarantee you a position** at another partner school in any of our destinations for which you are eligible on your program line, at **no additional charge** to you.

- ✔ Pay one enrollment deposit and you're able to teach in any partner school in any destination as long as you like provided you qualify for the destination you would like to teach in.
- ✔ It offers a lifetime of opportunities to make a difference in the lives of your students and travel the world in a sustainable way.
- ✔ For example, once you're finished in one country you can travel over to another destination on your program line at no additional cost and experience a whole new cultural adventure.
- ✔ Alumni can also transfer between program lines at special alumni pricing. Speak to your enrollment coordinator for more information.

Ho Chi Minh City is home to many beautiful parks. These are a hub for local people exercising. This fun outdoor activity (weather permitting) allows participants to experience Vietnamese martial arts.

Learning excursions provide insight into the multiple facets of Vietnamese culture, and allow participants to interact with the locals.

BOOST YOUR EMPLOYABILITY

Taking a year off might seem like a step back, but in reality, it's a wonderful opportunity for **growth** and **exploration!**

Although you may think it's a halt in your education journey, you're actually fast tracking yourself through:

- ③ Learning **independence**.
- ③ Learning how you **react to different situations**.
- ③ Learning how to master and **grow your confidence in public speaking**.
- ③ Learning how to **overcome obstacles**.
- ③ Learning about yourself through your own **personal self discovery**.
- ③ Learning how to step out of your comfort zone and **challenge yourself**.

These would normally take much longer in a normal, sheltered environment and wouldn't be nearly as much fun!

When you do head back home, you're not just another resume in a pile of resumes – you are someone different who's done something interesting and rewarding.

People who are able to reflect on their experiences will **give them an edge in their interview**, no matter what industry or profession.
